Raising Standards

Mobile Phone Recycle Appeal

Old mobile phones tucked away in the kitchen drawer? Put your spare mobiles to a great use! Please donate any old mobile phones you might have to our *Irish Autism Action* mobile phone recycle appeal.

Not only will you help keep the phones out of landfills but you will be helping to raise the quality of life of individuals and their families affected by autism. For every 185 phones we collect, through Irish Autism Action we can get an iPad for a child with autism.

For children with autism the iPad is way more than an entertainment device. Most are very visual learners and due to the interactive nature of the device, even children with very high support needs are able to use and enjoy them. Using an iPad, the children can work on their receptive and expressive language, fine motor skills, problem solving skills and joint attention.

And when you donate an old phone you can enter the draw to win the fabulous prize of 'YOUR MORTGAGE PAID FOR A YEAR'. And if you don't have a mortgage there's a prize of '€10,000 OF ELECTRICAL GOODS'.

To donate any old mobile phones, please contact Gary on 0879737308 or email 10ants@gmail.com and we will organise to collect.
